I don't mean to be pushy, pushy  
I'm just in it for the pussy, pussy  
Who wants to come get a pie of the piece  
Got time for everyone, I ain't on no leash

Be single and mingle around  
Seen one too many get tied down  
That shit right there is pricey  
I ain't got no wifey

I don't mean to be pushy, pushy  
I'm just in it for the pussy, pussy  
Who wants to come get a pie of the piece  
Got time for everyone, I ain't on no leash

Be single and mingle around  
Seen one too many get tied down

Are you set?  
Back up, let me get that

Do you ever get horny reading a text?  
You ever had sex over the Internet?  
Webcam and shit wet up your tushy  
Cut the story straight play with your pussy

All lovers put the plug in the socket like Bobby and  
Suzie  
Wet up the place like a hot jacuzzi  
I might come across sweet, really I'm a rudie

Ever since I started puberty  
I was looking in magazines just to see the nudity  
Truthfully, guess I don't care who you be, be

I'm fine if you take a chicks virginity  
Looking at your phone becomes a misery  
'Cause she calls you up more times than infinity

Bitch, let me be, I don't need no stress  
I'd rather have a pint and a li'l bit sex  
Who you think I am? I ain't buying you a dress

That's candy floss and I ain't here to impress

Sex no text, root it then boot it, shag that back  
Fuck all the kissing and cuddling  
Why don't you grab my balls and try juggling

Josh slept with Bianca  
Little did she know he was wanker  
'Cause he was a bi-sexual prick  
He love slits as well as dicks

He fucked Bianca as hard as Rick

Never thinking of takin' a trip to the clinic  
Now they're all in it, they might have AIDS  
I can't have babes

At the end of the day  
Josh should've put on his hood before the rain  
You know what I'm sayin', anyway washin' in  
Remember me, hey you know how I like it darlin'

Sex no text, root it then boot it, shag that back  
Fuck all the kissing and cuddling  
Why don't you put my knob in your mouth and try  
swallowing

Sex is a crazy thing  
Especially if you do it with someone that you don't know  
There's nothing wrong with a one night stand  
Just watch your possession if she's a ho though

If you only knew what some females have put me  
through  
Last week, I chased by a beast  
Licking her lips like I'm some feast

I was drunk, my eyes were red  
I'm kinda known so I wanted some head  
Somehow we ended up in a bed  
Little did I know she dreds on her legs and a wig on her  
head

I ain't gonna lie, I was scared  
Bit fat mama came all prepared  
'Bout which color condom would I like  
Get the fuck off me, ooh

I don't mean to be pushy, pushy  
I'm just in it for the pussy, pussy  
Who wants to come get a pie of the piece

Got time for everyone, I ain't on no leash

Be single and mingle around  
Seen one too many get tied down  
That shit right there is pricey  
I ain't got no wifey

I don't mean to be pushy, pushy  
I'm just in it for the pussy, pussy  
Who wants to come get a pie of the piece  
Got time for everyone, I ain't on no leash

Be single and mingle around  
Seen one to many get tied down, down

Thanks for your time  
Now go and never come back
