I'll be your lover on the line
I'll be your lover on the line

One day I'll see I let you go away
One day I'll think that everything is okay

One day I'll feel that it won't hurt no more
One day I'll know that I have lost you

I'll be your lover on the line
And if I suffer never mind
La dee da lover on the line
We got to heaven number nine
I'll be your lover on the line

La dee da lover on the line

I'll be your lover on the line

One day I'll look into your cold blue eyes
One day I'll try to get away from your lies
One day I saw you didn't care at all
One day I knew that I had lost you
(... lost you)

I'll be your lover on the line
And if I suffer never mind

La dee da lover on the line
We got to heaven number nine
I'll be your lover on the line

La dee da lover on the line
I'll be your lover on the line

One day I'll do the things I wanna do
One day I know won't even think about you
One day I'll feel that I am free again

One day I'll know that I have lost you
(... lost you)

I'll be your lover
(On the line)
I'll be your hunter
(In the night)
I'll be your lover
(In your mind)

I'll be another...
I'll be your lover on the line...

I'll be your lover on the line
And if I suffer never mind
La dee da lover on the line
We got to heaven number nine
I'll be your lover on the line
(Yeahh)

I'll be your lover on the Line
(I'll be your lover on the Line)

I'll be your lover, lover on the Line
La dee da lover on the Line
