I know when she's been on your mind
That distant look is in your eyes
I thought with time you'd realize it's over over
It's not the way I choose to live
And something somewhere's gotta give
As sharing in this relationship gets older older

You know I'd fight for you but how could I fight
someone who isn't even there
I've had the rest of you now I want the best of you I
don't care if that's not fair

Cuz I want it all
Or nothing at all
There's nowhere left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all

There are time it seems to me
I'm sharing you with memories
I feel it in my heart but I don't show it show it
Then there's times you look at me
As though I'm all that you could see
Those times I don't believe it's right I know it know it

Don't make me promises baby you never did know how
to keep them well
I had the rest of you now I want the best of you it's time
to show and tell

Cuz I want it all
Or nothing at all
There's nowhere left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call

You leave me here with nothing

Cuz you and I
Could lose it all if you've got no more room
No room inside for me in your life

Nothing Nothing
Nothing To Say

Cuz I want it all
Or nothing at all
There's nowhere left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all
