You dont know girl,what i planned for you  
A little bubble bath and some whip cream too  
Just bring your body and an pen mind  
And when i lay you down just let your soul unwind  
I'm waiting patiently-please girl dont take too long  
'cause baby i promise that i wont do you wrong!!  
My mouth is yearning for some of that tasty love  
So bring it on girl,'cause tonight we're in another world

Chorus:

Turning tricks with you,doing things that you want me  
To do  
Turning tricks with you,doing things that you want me  
To do

Now that you're here girl i wanna take my time  
Put on some luther,and sip on a glass of wine  
I'll lick your body,now i know what's on your mind  
You want me to go there(yeah that'll be fine)  
I wanna turn you out,and make you soaking wet  
'cause tonight will be a night i know you won't forget  
I like to you you sweat  
And the look in our eyes is telling me that you want me  
To come inside!

Chorus:

Bridge:

You feel so good baby  
I hope this feeling never ends  
So won't you hold me tight?  
And i'll love you through the night  
And when i'm through pleasing you,we're gonna  
Break for a minute or two  
And then it's on again so won't you tell me when i can  
Turn another trick with you

Rap:
