"Adieu"

Been a fool, been a clown
Lost my way from up and down
And I know, yes, I know
And I see in your eyes that you really weren't surprised
at me
At all
Not at all
And I know by your smile
It's you

Don't care for me
Don't cry, let's say goodbye
Adieu
It's time to say goodbye
I know that in time
It will just fade away
It's time to say goodbye

I stand alone
And watch you fade away like clouds
High up and in the sky
I'm strong and so cold
As I stand alone
Goodbye, so long
Adieu

Oh, how I love you so
Lost in those memories
And now you've gone
I feel the pain
Feeling like a fool
Adieu

My love for you burns deep inside me
So strong
Embers of times we had
And now, here I stand
Lost in a memory
I see your face and smile

Oh how I love you so

Lost in those memories
And now you've gone
I feel the pain
Feeling like a fool
Adieu

My love for you burns deep inside me
So strong
Embers of times we had
And now here I stand
Lost in a memory
I see your face and smile
