Gummed up, brain dead and can't decide
You can't pray enough, you can't hide
You can be cool or you can cry
Do it wrong
Not at all
Or do it right

No one owes you, no one's to blame
Save for bad genes or DNA
Ask your conscience the why and how
Do it then
Do it when
But do it now

What's up (What's up)
Sweetcakes? (Sweetcakes)
Who's hip (Who's hip)
Anyway? (Anyway)
Earth girls (Earth girls)
Are easy (Are easy)
What you gonna do, lil buckaroo?
(Hey you, better ask her nice!)
All you gotta do, happy fool, is ask your mom.

No, we all can't be Superfly, GQPhdFBI
You can pretend and you can try
Move ahead
Lay down dead
Or slip on by

When the truth seems so far away
Buddha loves you and Jesus saves
You need answers for your dismay
Ask yourself
Ask your mom
Ask DNA

What's up (What's up)
Sweetcakes? (Sweetcakes)
Who's hip (Who's hip)
Anyway? (Anyway)

Earth girls (Earth girls)
Are easy (Are easy)
What you gonna do, lil buckaroo?
(Hey you, better ask her nice!)
All you gotta do, happy fool, is ask your mom.

Yeah, just ask your mom
Doo doo doo, just ask your mom
Doo doo doo, yeah, ask your mom
Doo doo doo, yeah

Kamakamakama ask your mama
Super groover Dali Lama

What's up sweetcakes?
Who's hip anyway?
Earthgirls are easy
What you gonna do, lil buckaroo
Come on!

What's up (What's up)
Sweetcakes? (Sweetcakes)
Who's hip (Who's hip)
Anyway? (Anyway)
Earth girls (Earth girls)
Are easy (Are easy)
What you gonna do, lil buckaroo?
(Hey you, better ask her nice!)
All you gotta do, happy fool, is ask your mom.
(Mmm...)
