I close my eyes and I keep seeing things  
Rainbow waterfalls  
Sunny liquid dreams

Confusion creeps inside me raining doubt  
Gotta get to you  
But I don't know how

Call me, Call me  
Let me know it's alright  
Call me, Call me  
Don't you think it's 'bout time  
Please won't you call and

\*Ease my mind  
Reasons for me to find you  
Peace of mind  
What can I do  
To get me to you

I had your number quite some time ago  
Back when we were young  
But I have to grow

Ten thousand years I've searched it seems and now  
Gotta get to you  
Won't you tell me how

Call me, Call me  
Let me know you are there  
Call me, Call me  
I wanna know you still care  
Come on now won't you

\*repeat

Ease my mind  
Reasons for me to find you  
Peace of mind

Reasons for living my life

Ease my mind  
Reasons for me to know you  
Peace of mind  
What can I do  
To get me to you
