Intro:

Ladies and gentlemen  
Whores and sluts  
Step right up, behind this curtain  
Is where all your fantasies come to life  
This is a place where you can escape  
Welcome to candyland!

Verse 1:

Let me show you my game (watch! )  
I'll put those shoes to shame (oh! )  
These rhymes that I write  
Make you wanna fuck all night (ahh...)  
When we take off our clothes (ahahaha)  
She sucks me 'til it snows (awh)  
I'll fuck her face so hard  
She is my wild card (ahahaha sweet)  
My sticky lollipop  
Inside a sweet gumdrop  
I'm about to explode  
It feels too good to stop  
Just taste my tootsie roll  
You melt my icicle  
I gotta get my fix  
Please lick my pixie stick

Chorus:

Welcome to candyland  
I'll split your ass in two  
So take me by my hand  
Lick it up, slide it down  
And satisfy my sweet tooth  
Welcome to candyland  
You'll wanna fuck me twice  
I'll be your gingerbread man  
First time naughty  
And second time nice!  
Candyland... candyland

Verse 2:

Just close your eyes and dream  
A fantasy so obscene  
I'll take you by the hand  
This is my candyland  
You are my sweet playground  
Swallow, my love... 'til you drown  
I'll be your back door man  
Welcome to my candyland

Chorus:

Welcome to candyland  
I'll split your ass in two  
So take me by my hand  
Lick it up, slide it down  
And satisfy my sweet tooth  
Welcome to candyland  
You'll wanna fuck me twice  
I'll be your gingerbread man  
First time naughty  
And second time nice!

Verse 3/Bridge:

You want my cock (mine)  
But it's mine  
So take a number  
And get in line (what! ?)  
Whipped cream and astroglide  
Take off my wrapper  
And slip n' slide  
Sticky like a lollie  
Blow me 'til I pop (\*pop\*)  
You can sample all my flavors  
At my candyshop  
Cumshots and gumdrops (ahh)  
Double fists and blow pops  
Trick or treat  
Squeeze my meat  
Give me something sweet to eat  
Slip n' slide on my face  
You got that flavor I wanna taste  
Lick your red hots (ttsssss)  
Suck your candy cane (mmm...)  
You'd think I was a zombie  
By the way I give you brain

Chorus:

Welcome to candyland  
I'll split your ass in two  
So take me by my hand  
Lick it up, slide it down  
And satisfy my sweet tooth  
Welcome to candyland  
You'll wanna fuck me twice  
I'll be your gingerbread man  
First time naughty,  
And second time nice!
