My name was captain kidd, when I sailed, when I sailed  
My name was captian kidd, when I sailed, when I sailed  
And so wickedly I did  
God's laws I did forbid

I roamed from sound to sound, and many ships I've  
found  
I roamed from sound to sound, and many ships I've  
found  
And that night I saw  
( \_\_\_? )

I murdered william moore and I laid him in his gore  
I murdered william moore and I laid him in his gore  
And this I did to him  
A-many leagues from shore

Farewell to young and old, the jolly sea ( \_\_\_? )  
Farewell to young and old, the jolly sea ( \_\_\_? )  
And welcome to my ( \_\_\_? )  
And the open ( \_\_\_? ) door

Farewell to london town and the pretty girls around  
Farewell to london town and the pretty girls around  
My friends ( \_\_\_? )  
In the garden can be found

Farewell, for I must die, I must die, I must die  
Farewell, for I must die, I must die, I must die  
And in my own misery I must lie, I must lie  
I must lie, must lie, must lie, must lie
