I went to the crossroads  
Fell down on my knee  
I asked the lord above me for mercy  
'save bob, if you please'

Standing, standing on the crossroad  
Yeah, I try to flag a ride  
Don't nobody seem to know me  
Just everybody passing me by

I went down to the crossroads  
Fell down on my knee  
I asked the lord above me for mercy  
'save bob, if you please'

Standing, standing on the crossroad  
I try to flag a ride  
Don't nobody seem to know me  
Just everybody passing me by

I'm standing on the crossroad, baby  
Yeah, I think I'm sinking down  
Sinking, sinking down
