Readin' my paper in Ray's Cafe
The old guy next to me is loud as day
Rambled and rambled while eatin' his pie
He dropped his wallet, now it's mine

Sorry old man, but that's just the way that it is
Don't bother none
Won't help at all to worry 'bout it

Pick up the wallet and slipped outside
Walked around, walked around, walked around town
I found my nerve and a good place to hide
Only to find no cash inside

Oh well, I guess that's just the way that it is
Don't bother none
Won't help at all to worry 'bout it.

I got thirsty, so I went to a bar
Met a little darlin' with the face of a star
In the mornin', woke up to find
She stole my car, along with my heart, yeah yeah

Oh well, I guess that's just the way that it is
Don't bother none
Won't help at all to worry 'bout it

Wish she'd give me back my heart...

Oh well, I guess that's just the way that it is
Don't bother none
Won't help at all to worry 'bout it
