I hope that I find what I'm reaching for  
The way that it is in my mind  
I hope that I won't be that wrong anymore  
And maybe to have learned this time

Someday I'll get over you  
I'll live to see it all through  
But I'll always miss  
Dreaming my dreams with you

But I won't let it change me, not if I can  
I'd rather believe in love  
And give it away as much as I can  
To those that I am fondest of

Someday I'll get over you  
I'll live to see it all through  
But I'll always miss  
Dreaming my dreams with you

Someday I'll get over you  
I'll miss dreaming with you  
Someday I'll get over you  
I'll miss dreaming with you  
Someday
