(bob dylan)

Listen to me, baby
There's something that you must see
I want to be with you, boy
If you want to be with me

But if you gotta go, it's all right
But if you gotta go, go now
Or else you gotta stay all night

It's not that I'm questioning you
To take part in some kind of quiz
It's just that I have got no watch
And you keep askin' me what time it is

But if you gotta go, it's all right
But if you gotta go, go now
Or else you gotta stay all night

I am just a poor girl, baby
Trying to connect
I certainly don't want you thinkin'
That I haven't got any respect

If you gotta go, it's all right
But if you gotta go, go now
Or else you gotta stay all night

It ain't that I am wanting
Anything you never gave before
It's just that I'll be sleeping soon
It'll be too dark for you to find the door

If you gotta go, it's all right
But if you gotta go, go now
Or else you gotta stay all night
