"I'm So Lonesome I Could Cry"

Hear the lonesome whippoorwill
His song's too blue to fly
The midnight train is a-winding low
I'm so lonesome I could cry

I've never seen a night so long
When time keeps crawling by
The moon is gone behind the clouds
To hide his face and cry

Have you ever seen a robin weep
When leaves have turned to brown?
Like me he's lost his will to live
I'm so lonesome I could cry

The silence of a falling star
Lights up a purple haze
And as I wonder where you are
I'm so lonesome I could cry
