Don't want to be the one to pop your cherry, girl

Just jump a train that will take you back to mama's side

Knock on, knock on

Knock on the sky

You keep on knockin' better ask yourself why

Knock on, knock on

Knock on the door

Buyin' a one-way ticket out of your mind

Knock on, knock on

Knock on the sky

You keep on knockin' better ask yourself why

You keep pushin' and you will see my chilly yellow eyes

Only one time

Don't wanna get your teddy bear mad at me, girl

So get your pretty slippers on and dance out of here

Knock on, knock on

Knock on the sky

You keep on knockin' better ask yourself why

Knock on, knock on

Knock on the door

Be happy living in your nuclear life

Knock on, knock on

Knock on the sky

You keep on knockin' better ask yourself why

You keep pushin' and you will feel my frozen beastly
bite

Only one time

Pushing the sky
