Today, I think I'll wear my skin clean;  
Tear off the souls, before they call us over me.  
Rewind, come back to this  
Foreshadow my life,  
And the way it's been going.

Who's responsible?  
Responsible!  
Hooray, I finally found you!

Tonight, when the world turns around  
I'll set my gauge to the one who can create us  
Don't mind, if I say I do  
I swear I'll never leave this to you

Who's responsible?  
Responsible!  
Hooray, I finally found you!  
Who's responsible?  
Responsible!  
Hooray, I finally found you!

High...

Beyond the sea you come to find your waking eyes  
They turn around before making art...

Who's responsible?  
Responsible!  
Hooray, I finally found you!  
Who's responsible?  
Responsible!  
Hooray, I finally found you!
