Sext! Sext! Sext! Me!

4x

Verse 1:

Less than three is just a tease
Send those n00dz and make me drool
Hit me up, make me cum
Wanna sext? I'll show you some
Sticky drama all the way
Want my dick? you gotta pay
See what my thumbs can do
Time to use my tongue on you
Show me what you've got
On my LCD
Let's get down to it
So you can get down on me
Cybering is so 1999
You've gotta be textually active if you wanna be mine
Cuz

Chorus:

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste you sweet
I wanna fuck you hard
I wanna feel you deep
I wanna ah, ah
I wanna ah, ah
Love me or hate me
Bet you wanna fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest shit you've ever had
You mix em' all together now and still be twice as bad

(Called you, what the fuck!)

Verse 2:

When I text the sex, sex, sex
You start to undress, dress
Poppin' out your chests
At your friends requests
Now I'm rockin' on your top
And you know I just can't stop stop
Make you drop
Feel you up till I hit the spot
Cuz I can't take
Take take all this wait wait!
I'm so impatient
You got me waitin'
Cut the shit, show your tits
Flip it on the sidekick
Like Quagmire on Family Guy
Giggity, giggity. all the time

Chorus:

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste you sweet
I wanna fuck you hard
I wanna feel you deep
I wanna ah, ah
I wanna ah, ah
Love me or hate me
Bet you wanna fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest shit you've ever had
You mix em' all together now and still be twice as bad

Verse 3:

There I go
Sextin' all my mother fuckin' favorite hoes
Stereo, blast it up, go ape shit and tear it up!
We can make you look like hobos
She's sextin' if she's so slow
Hellz yeah!
Go for more
Parents banging down the door
Oh no, caught with my pants down
I gotta leave this town

I ain't never lookin' back!
I'm gonna tell your ass straight up
This is how we live it up
I just don't give a fuck
And if I ever gave a fuck I would be straight out of luck

Chorus:

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste you sweet
I wanna fuck you hard
I wanna feel you deep
I wanna ah, ah
I wanna ah, ah
Love me or hate me
Bet you wanna fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest shit you've ever had
You can mix em' all together now and still be twice as
bad

(Called you, what the fuck!)

Outro:
