I wish every little beat of my heart, could tell you how I  
feel (yeah)  
And I wish every little beat of my heart, could show you  
that's for real.(yeah)

I really don't know what you're doing to me  
Everytime you're near me I can feel the beat  
It's the pounding of my heart, ooh you made it start  
When you do what you do to me

Ooh, It's Boom boom  
Hey, It's boom boom  
Yeah, It's Boom boom  
Ooh, It's Boom boom  
(I wish, every little beat of my heart, can tell you how I  
feel)  
This Love's for real

Now I can shake this feeling but I don't think you even  
know  
(do you know it, do you know it, do you know it baby)  
I try to hold it in, but there it comes and then there it  
goes, again

It's that steading pounding, I love the way it's sounding  
It makes me want you more and it's just like I said  
before  
It's the pounding of my heart, ooh you made it start  
When you do what you do to me

Ooh, It's Boom boom  
Hey, It's boom boom  
Yeah, It's Boom boom  
Ooh, It's Boom boom  
(I wish, every little beat of my heart, could tell you how  
I feel)  
This Love's for real

(rap)  
Say one plus one makes two that's me and you  
And I know that you know that we know that it's, boom  
boom

Cos when you're there, my heart's joom joom  
( )  
I need you and the things that you do  
Forever and I wanna stay true  
Like Boom baby Boom Baby  
Boom,Boom,Boom, Boom..

Ooh, It's that steading pounding, I love the way it's  
sounding  
It makes me want you more and it's just like I said  
before  
When you do what you do to me

Ooh, It's Boom boom  
Hey, It's boom boom  
Yeah, It's Boom boom  
Ooh, It's Boom boom  
(I wish, every little beat of my heart, could tell you how  
I feel)  
This Love's for real
