Oh yeah!)  
(Tied to my telephone line)  
Zero-five-eight-nine, telefunkin' line  
If they call, and my line is jumpin'  
I'm just telefunkin' (telefunkin?) Yeah (you got me  
telefunkin)

Callin' you up around quarter past two  
Breathin' all heavy, 'cos I know it's you  
And rappin' soft and sweet, makes you freak  
Stayin' on the line till I get ya weak

Now I'm gettin' over 'cos my funky style  
Get you so excited, that I drive you wild  
And I can ring your bell, hard as hell (well!)  
Make you wanna find somebody to tell

I've got the fever for your flava (yeah-yeah)  
And I'm spendin' (yeah-yeah) all of my time (yeah-  
yeah)  
'Cos I'm addicted to you baby, tied to my telephone line  
(tied to my  
telephone line)  
(Well) So tell all my friends...

That if they call, and my line is jumpin'  
I'm just telefunkin' (telefunkin?) Yeah (you got me  
telefunkin)  
If they call, and my line is bumpin'  
I must be telefunkin' (telefunkin?) Yeah (you got me  
telefunkin)

Grindin' on the groove, I can get you off  
You don't have to tell me when you've had enough  
'Cos I can keep you played, drop that shade  
And make you feel so good, you don't remember your  
name

Now I'm gettin' over with my soft sex style  
I can put it to you, make you go buck wild  
And I can ring your bell, soft as hell

Make you wanna find somebody to tell

I've got the fever, for your flava (yeah)  
And I'm spendin' (yeah-yeah) all of my time (yeah-  
yeah)(come on)  
Addicted to your lovin', tied to my telephone line (tied  
to my telephone  
line)  
(Telefunkin'?) So tell all my friends...

That if they call (if they call), and my line is jumpin'  
(I'm just) I'm just telefunkin' (telefunkin?) Yeah (you got  
me  
telefunkin')(yeah-yeah)  
If they call (if they call), and my line is bumpin' (I'm  
bumpin')  
I must be telefunkin' (I'm  
telefunkin')(telefunkin')(telefunkin')  
Yeah (you got me telefunkin)

Zero-five-eight-nine, telefunkin' line  
You be gettin' your kick  
I be gettin' mine  
Hot for your spot, got me flowin' for the season  
Like L.V. you be givin' me the reason  
I'll weak an' you that I seek an'  
Hot what ya got - me mad freakin'  
We love like beats for the case  
Telefunk flava, mad rockin' up the place

'Cos I'm addicted to ya, Baby, tied to my telephone line  
(tied to my  
telephone line)(Well)  
So tell all my friends...

That if they call (if they call), and my line is jumpin'  
I'm just telefunkin' (telefunkin?)('till daylight) Yeah (you  
got me  
telefunkin?)('till daylight)  
If they call (if they call), and my line is bumpin' (Ooh I'm  
just  
telefunkin')  
I must be telefunkin' (telefunkin?)(Oh)(telefunkin') Yeah  
(you got  
me telefunkin)

You got me, Baby  
Got me telefunkin', Baby (tied to my telephone line)  
You got me, Baby  
Got me telefunkin', Baby
