Some people call me an overachiever
But I'm always a believer
It's my time to shine
Here we go

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
C'mon, let's roll
Everybody, yeah, here we go
(Here we go)

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
Right here and now
Everybody, it's going down
(It's going down)

I've been waiting for this moment
It's time to throw down
I've been dreaming this dream forever
Now I know the time is right
(It's on)

Better make some room for me
(It's on)
Now I know it's time to be
Better than I ever was
I don't do it for the money, I do it for the love

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
C'mon, let's roll
Everybody, yeah, here we go
(Here we go)

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
Right here and now
Everybody, it's going down
(It's going down)

I've got the answer

It's beating in my heart
I'm gonna make it happen
There's no way I won't tear this apart

I'm gonna show 'em what I got
I'm gonna give it everything
This is no joke I wrote
This is my destiny

One shot, one shot, you got
And if you don't take it
Then you're always not, no
It's on, so let's go, it's on, here we go

One chance, one chance to rise
You go get yours and I'll go get mine
It's on, it's on

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
C'mon, let's roll
Everybody, yeah, here we go
(Here we go)

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
Right here and now
Everybody, it's going down
(It's going down)

Show 'em what you're worth
It's been on since your date of birth
Why you here, why you on this earth?
If you can't live your dream, man, it's gotta hurt

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
C'mon, let's roll
Everybody, yeah, here we go
(Here we go)

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
Right here and now
Everybody, it's going down

It's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
C'mon, let's roll
Everybody, yeah, here we go

You know it's on, it's on, it's on, it's on
It's on, it's on, it's on, it's on
Right here and now
Everybody, it's going down
(It's going down)

(It's going down)
(It's going down)
Trust me from the depths of my soul
(It's going down)

Telling you it's going down
(It's going down)
The moment now, it's on
(It's going down)

Telling you it's going down
(It's going down)
The moment now, it's on
(It's going down)
Telling you it's going down
