It just happened  
So what?  
But they're all laughin  
What's up?  
[hook]  
Why the tears, have no fear  
we are here for you  
but i know how you feel, I know how u feel  
When no one cares  
[chorus]  
If you feel just like i feel (PUSH PEOPLE)  
Everythings plastic, nothings real (PUSH PEOPLE)  
Fuck your normal vase not steal(PUSH PEOPLE)  
We're just dancin' no big deal (PUSH PEOPLE)  
Hey, just let the BullShit pass (PUSH PEOPLE)  
Or we'll skateboard your ass (PUSH PEOPLE)  
Got my balls, my wheels (PUSH PEOPLE)  
We're just dancin' no big deal (PUSH PEOPLE)

\*BREAKOUT (x12) (PUSH PEOPLE [background])  
Breakaway...  
All you can be is just you, cause you're real'not  
the plastic type  
But reality sets, and you're stuck in this plastic life  
[hook]  
Why the tears,  
We're all here for you  
But i know how u feel, i know how you feel  
and i do care

[chorus]

\*BREAKOUT (x12)(PUSH PEOPLE)

(talking)

Just as long as we got the same thing in our veins

You and I, we are both the same

I'll bail you out, to show you what you should see

one love N.E.R.D, peace.
