Visit "[Breakout](#)" on MotoLyrics.com

It just happend  
So what?  
But they're all laughing  
What's up?

[Hook]  
Why the tears have no fear  
We are here for you  
But I know how you feel, I know how you feel  
When no-one cares

[Chorus]  
If you feel just like I feel, PUSH PEOPLE  
Baby, everything is plastic, nothing is real, PUSH  
PEOPLE  
Fuck your lover makes not steal, PUSH PEOPLE  
We just dance and no big deal, PUSH PEOPLE  
He just let the bullshit pass, PUSH PEOPLE  
So we just skateboard your ass, PUSH PEOPLE  
Got my bones, my wheels, PUSH PEOPLE  
We just dance and no big deal, PUSH PEOPLE

Break out [x11]

All you can be is just you cause  
You're real not the plastic type.  
But reality sets and  
You're stuck in this plastic life.

[Hook]  
Why the tears  
We are here for you  
But I know how you feel, I know how you feel  
When nothing cares.

[Chorus]

Break out [x11]

Hey!  
Shit happens, hey, just blow it off, whooo,  
Man, don't it make you feel rage, rage, yeah

Hey!  
Shit happens, u-uh, just blow it off, whooo,  
Man, don't it make you feel rage ,rage ,yeah  
Just aslong we got the same thing in our vains,  
You and I ,we are both the same  
I bail you out and show you what you see  
'bout love, N\*E\*R\*D, peace
