[Chorus]

All the girls standing in the line for the bathroom  
All the girls standing in the line for the bathroom  
All the girls standing in the (all the girls standing in the)  
All the girls standing in the line for the bathroom

[V. 1]

You and your girls are going out tonight  
Ya'll been planning this all week right  
You got something boys can't deny  
(Here's a hint) it's like apple pie  
Cut ya open and your just white  
You ain't tired you want to cause a riot  
Who can say no to you  
Wait till they get a load of you

A hundred dollar bills look at you (at you)  
A hundred dollar bills look at you (at you) [2x]

[Chorus 2x]

[V. 2]

Superstar ask you what you have  
Bartender give me drink he just laugh  
He talking bout a autograph  
You just wanna dance in your wreckless path  
Close eyes see colorful things  
You wanna let go and feel wonderful things  
Just a bit more just to get in the lane  
So you can answer the brain  
And your conflicting the pain

A hundred dollar bills look at you (at you) [3x]

[Chorus 2x]

[Bridge]

Baby, you partied all night in six gear  
Just so you know the a c is blowing over here (don't worry)  
I won't blow your high talking

Bout your life and how it is all wrong  
Just know if you go outside  
And see the sun rises all the stars are gone

Tell your friends they can go your ok  
Your just chilling with me  
Here's a towel wipe your face cool down  
Have a drink it's on me  
Here's a towel (here's a towel) wipe your face (wipe  
your face) cool down (cool down)  
Have a drink it's on me  
Here's a towel (here's towel) wipe your face (wipe your  
face) cool down (cool down)  
But you rather party cause

[Chorus 4x]
