[Adlib:]

I Love You

You mean the world to me

[1st Verse:]

Just a minute ago....

Just a minute ago....

Just a minute ago....

I said some things I know that I can't change that
(sorry)

But when I just screamed

That didn't mean for us to break, break our pack

[Chorus:]

I'm searching for my way back

But I'm looking through a peephole

I'm trying to find my way back

I wanna be the hero

[2nd Verse:]

I'm here, you're there...

I'm here, you're there...

I'm here, you're there...

Between us there's air, but no one is breathing

How can this be

It's your face I see

This is so crazy

We're in the same room

[Chorus 2:]

(I'm searching for my way back girl)

I'm searching for my way back

(I'm searching for my way back girl)

But I'm looking through a peephole

(I'm searching for my way back girl)

I'm trying to find my way back

(I'm searching for my way back girl)

I wanna be the hero

(I'm searching for my way back girl)

I love you,
Forever

Hey, I don't care what it takes but I know we got to get
there

(Got to get there)

We got to get there

(Got to get there)

I can see it now, you and me

I know nothing gon' change if the both of us just sat
here

(If we just sat here)

If we just sat here

(If we just sat here)

Come on join me girl, can't you see?

[Chorus 3:]

(Hey!)

I'm searching for my way back

(I'm lost! Where am I?)

But I'm looking thru a peephole

(I just wanna go home!)

I'm trying to find my way back

(I'm out here by myself...)

I wanna be the hero

(I'm lost in space!)

I'm searching for my way back

(No rocky road start)

But I'm looking through a peephole

(I just wanna see you)

I'm trying to find my way back

(Hey, no rocky road start)

I wanna be the hero

(I just wanna lead you)

I'm searching for my way back

(I love you babe, love you babe, love you babe.....)
