[Verse1]

Don't wanna sound full of myself or rude
but you ain't lookin' at no other dudes
cuz you love me! so you think about a chance
you find yourself tryin' to do my dance
maybe cuz you love me

(So then we try)singin' a slow down beat cuz you
weren't used to how
fast we touched (fast we touched)
(Then we locked eyes) then i knew i was in there and i
was going to tear
ya' ass up (tear ya' ass up)

[Chorus]

I know that i'm carrying on never mind if i'm showin' off
i was just frontin,you know i want you babe.
I'm ready to bet it all, unless you don't care at all
but you know i want ya,you should stop frontin' babe

[Verse 2]

Tryin' to be the best girlfriend you could be
but still you sneak and look at me and girl i love it
then you give the other girl a shove
tell her you gonna call her, ask how it was
and she's gone love it whoa ooh oh yeah yeah

(So then we try)singin' a slow down beat cuz you
weren't used to how
fast we touched (fast we touched)
(Then we locked eyes) then i knew i was in there and i
was going to tear
ya' ass up (tear ya' ass up)

[Chorus]

I know that i'm carrying on never mind if i'm showin' off
i was just frontin,you know i want you babe.
I'm ready to bet it all, unless you don't care at all
but you know i want ya,you should stop frontin' babe
