Hold your head lil' bro'
Your not dead lil' bro
You are brown and this world is black and white lil bro
I know how it sounds lil bro
But you'll be alright lil bro

Yeah

I bet this song, make no sense to you
With the world on your shoulders
What can you see?
God blessed us all, with the gift to pursuit
Just clear your mind and, you'll feel like me

Yeah

Forget what you read lil bro
Get them words out your head lil bro
Those shades the world's the same, don't you know lil
bro?
It only just fades lil bro
But can't hide your glow lil bro

Cuz

I bet this song make no sense to you
With the world on your shoulders
What can you see?
God blessed us all, with the gift to pursuit
Just clear your mind and
You'll feel like me

Yeah

Forget the latest lil bro
You're the greatest lil bro
You were made to amaze and bring change lil bro
It takes one to know one bro
So here's one to grow on bro

Yeah

I bet this song make no sense to you

With the world on your shoulders
What can you see?
God blessed us all, with the gift to pursuit
Just clear your mind and
You'll feel like me

Yeah

Oooooohhhooooohhhooooohh
Oooooohhhooooohhh
What then you see?
Oooooohhhhhooooohhhooooohhh
Oooooohhhooooohhh
You'll feel like me
