Chorus:

You just lost a
Good girl
Good girl, good girl,
A good girl
You lost today
From such a good thing
Good girl, good girl,
From such a good thing
You walked away

First Verse:

Thought I was invited like your angel
What did I know
Was prepared to sacrifice my halo
I was buggin' out
Everybody
Would come to me
Tellin' me
The things they'd seen
Your girlfreind
You with another love life
But that's alright
If that's... What you like

Chorus:

You just lost a
Good girl (good girl)
Good girl, good girl
A good girl
You lost today
From such a good thing
Good girl, good girl,
From such a good thing
You walked away
(you walked away)

Second Verse:

How could I've missed it
Was having sex with making love
It's sad, I'll never know
How could I be-lieve you knew what

Real love was
It's real as hell and snow(?)
Everybody
Would come to me
Tellin' me
The things they'd seen
Your girlfreind
You with another love life
But that's alright
If that's... What you like

Chorus:
You just lost a
Good girl (uh oh uh ohh ohh ohh)
Good girl, good girl
A good girl
You lost today
From such a good thing
Good girl, good girl,
From such a good thing
You walked away
(you walked away)

Bridge:
I really missed you
That moment
You held me close (you held me close)
Said we could rewrite history
So how could you blow it (now)
The song has no note (no note)
So what will the angels sing (ahhh)
Guess nothing

Thought I was o-ver
My life's biggest hurt, ohh
But oh no no no
It seems destiny's arrangements
Served those
That's how it goes
Everybody (everybody)
Would come to me (come to me)
Tellin' me (tellin' me)
The things they'd seen (thing's they'd seen)
Your girlfreind (with a nutha)
You with another love life (love life)
But that's alright
If that's... What you like

Chorus:
You just lost a
Good girl

(Ohh) Good girl, good girl
A good girl
You lost today (you lost today, yeah)
From such a good thing
Good girl, good girl,
From such a good thing
You walked away
(you walked away)

You just lost a
Good girl (not really a "just" girl)
Good girl, good girl
A good girl
You lost today (my heart opened up)
From such a good thing (you can still walk through)
Good girl, good girl, (more precious than any girl)
From such a good thing (turned into your best friend,
someone you can talk to)
You walked away
So i'll see you now
