Help Me

Pharrell:

Cos I, I fear, the fumes.

Cos someone uncool, has made it inside the room,
Our idea's get shared, now the girl won't get spared,
and you're just sitting there, sucking up the air

Ok, you got it, you want to do somebody,
Wait a minute, what's wrong, sound broke?
(COME ON)

Help Me

Is that a snake I just saw?

Well they can only live in the grass, and weeds, are tall.

Well I'll stop at no cost to please my eyes

And no I won't kill you but I'll watch you die

C'MON!

WOOO!

YEAH!

DIE BITCH DIE!

ahh

Help Me

Cos this ain't good for my health

So you can have this room and building yourself

My oath won't let me conspire

While your presence set our sanctuary on fire

Help Me

Cos your intentions are pure

Cos cool can only be killed never absorbed

And I will never stop or compromise

And no I won't kill you but I'll watch you die

C'MON!

WOOO!

YEAH!

YEAH!

aww

Help Me

Understand why you're surprised
But nevermind that please look outside
Submarines and flying machines and fella's you know
And signs that say we should've nuked you a long time
ago

Help Me

See those war machines out there
Are packed with your karma do you care
Just no karma doesn't stop when you cry
And no I won't kill you but I'll watch you die
C'MON!
WOOO!
YEAH!
YEAH!
...Yeah
