"Hot-N-Fun"

(feat. Nelly Furtado)

[Pharrell:]

Okay, we wrote this for a purpose, to motivate you at
this time,
With this hypnotizing bassline, please feel free to lose
your mind,
And get high, get money, get sex, get real, all
intertwined
Oh yeah, this is stadium music, 50,000 at a time

[Chorus:]

Let's get right, let's get right
Let's get right, okay (okay)
Let's get right, let's get right
Let's get right, okay (okay)

All the girls want, Hot N Fun
All they looking for is, Hot N Fun
All they ask for is, Hot N Fun
They keep wanting that, Hot N Fun

Look at you, look at me
Look at you, look at me
Hot N Fun, Hot N Fun

Let it go
Homeboy, she's dancing for a reason, not just cause
on I'm on her hind,
Homeboy, it's totally obvi, you don't be listening to her
mind,
She want to get right, get money, get sex, get real, all
intertwined
This is stadium music, fifty thou jumping at a time

[Chorus:]

Let's get right, let's get right
Let's get right, okay (okay)
Let's get right, let's get right
Let's get right, okay (okay)

All the girls want, Hot N Fun
All they looking for is, Hot N Fun
All they ask for is, Hot N Fun
They keep wanting that, Hot N Fun

Look at you, look at me
Look at you, look at me
Hot N Fun, Hot N Fun

[Nelly Furtado:]
And then he's breathing,
Love into lust,
So many reasons,
To save the cast,
Cause this the season

[Pharrell:]
To a new day,
People don't want to think no more, they just want to
feel
They want to let go

[Chorus:]
Let's get right, let's get right
Let's get right, okay (okay)
Let's get right, let's get right
Let's get right, okay (okay)

All the girls want, Hot N Fun
All they looking for is, Hot N Fun
All they ask for is, Hot N Fun
They keep wanting that, Hot N Fun

Look at you, look at me
Look at you, look at me
Hot N Fun, Hot N Fun

[Nelly Furtado:]
And then he's breathing,
Love into lust,
So many reasons,
To save the cast,
Cause this the season

[Pharrell:]
Come on

Let's get right, let's get right
Let's get right, okay (okay)
Let's get right, let's get right
Let's get right, okay (okay)
