hello? hey mom, its me mom.  
cant tell you where i sleep mom, cause thats where we  
be mom.  
sometimes i steal and cheat mom, and yes i get  
enough to eat mom.  
mom can you listen to me?  
no, i don't mess with guns.  
yes, on my travels i have seen one.  
No Beein A Runaway Is No Fun  
But House Rules Sure Were Not Fun  
something told me to...

thats what you say dad, i never could obey dad.  
you would have bad days dad,  
and you would make me pay dad, make me feel way  
sad.

good grace dont come with that package.

don't let your teachers teach you about wealth to death.  
maybe theres something else... (im checkin  
out)  
dont let their song teach you that we are by our selves.  
cause trust me theres something else... (im checkin  
out).

oh la la la la la la la-laa, oh la la la la la la la-laa, (shh..  
maybe there's something else)  
see we're not part of their magna carta,  
there's no shuttle for us to charter  
no, theyre keepin it for themselves (i'm checkin out)

[pharell]  
tell my ex-girlfriend im trying  
and her new boyfriend, i'd fight him  
and what about my cousins  
i tell them that i love them  
im not perfect nor fecisious  
but at home i felt seedless  
guess im completely hateless  
turn to BBC, you should see this  
about a kid...
