Fuckin posers-  
Yo yo yeah(4x)  
Uh  
Yeah  
Fuckin' posers  
It's almost over now  
It's almost over now

For ya fuckin posers  
Yeah  
Its almost over now  
Almost over now

You think the way you lives okay  
You think posing  
Will save the day  
You think we don't see  
That you're running  
Better call your boys  
'Cause I'm coming

[Chorus]

You can't be me  
I'm a Rock Star  
I'm rhyiming on the top of a cop car  
I'm a rebel and my .44 pops far

It's almost over now  
It's almost over now

Guess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
Will you see the mantle or will you see the skies

It's almost over now  
It's almost over now

You think that you don't have to ever quit  
You think that you can get away with it

You think the light won't be ever lit

It's almost over now  
Almost over now

Something's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
Since

It's almost over now  
Almost over now

You had plenty of time  
There was no rush  
But it was your dream to be like us  
You're in dreamland so you don't care  
And as you wait(im standing there,im standing there  
mother fucker)  
We're standing there

You can't be me  
I'm a Rock Star  
I'm rhyiming on the top of a cop car  
I'm a rebel and my .44 pops far

It's almost over now  
It's almost over now

I guess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
Will you see the mantle or will you see the skies

It's almost over now  
It's almost over now

You think that you don't have to ever quit  
You think that you can get away with it

You think the light won't be ever lit

It's almost over now  
Almost over now

Something's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
Since

It's almost over now  
Almost over now

You don't succeed cause you hesitate  
You think we're fly  
But we levitate  
Just be yourself  
Don't ask us why  
'Cause if you don't we'll make you fly

You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops far

It's almost over now  
It's almost over now

I guess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
Will you see the mantle or will you see the skies

It's almost over now  
It's almost over now  
No on ever really dies  
You believe that?  
Well,if not,for you,  
Its almost over now  
Almost over now

No on ever really dies
