Fuckin posers  
Its almost over now  
Its almost over now  
Yeah

You think the way you live is okay  
You think posin  
Will save the day  
You think we dont see  
That youre running  
Better call your boys  
Cause Im coming

Chorus

You cant be me  
Im a Rock Star  
Im rhyiming on the top of a cop car  
Im a rebel and my .44 pops far

Its almost over now  
Its almost over now

Yes  
You aint heard that we swallow guys  
Its too damn late to apologize  
When you see the mantle or will you see the skies

Its almost over now  
Its almost over now

You think that you dont have to ever quit  
You think that you can get away with it  
You think the light wont be ever lit

Its almost over now  
Almost over now

Somethings on your chest  
Better get it off

There'll be no one left when we set it off  
We ain't gonna take it no more  
Since

It's almost over now  
Almost over now

You have to plenty of time  
There was no rush  
But it was your dream to be like us  
You're in dreamland so you don't care  
And as you wait  
I'm standing there

Repeat Chorus

You don't succeed cause you hesitate  
You think we're fly  
But we levitate  
Just be yourself  
Don't ask us why Cause if you don't we'll make you fly  
Repeat Chorus
