Revolution!

Yeah

[Pharrell]

All I know is I can't get the recipe  
For how to make my pie taste just like the tree  
Oh it's so revealing, feeling I have no feeling  
But I bet they tell you don't worry 'bout it just add the  
cream

[Chorus]

AND THEN YOU FEEL GOOD! [3X]  
LET IT GO AND YOU SHOULD FEEL GOOD!  
Here we go...

[Pharrell]

How does every man endure the heckling?  
Every phone, internet, and TV selling pie  
Tell me the type of pie it is, that's your vision buying it  
Don't bother with hello, just say buy/bye

[Chorus]

[N.E.R.D.]

Here we go, here we go  
Uhh, uhh  
Hello, how are you-ah?  
Just stopped a second on my cruiser  
Nice to meet ya, wanna recruit ya  
To the muffin girls of the future  
Let me school ya, and renew ya  
(Free your mind!) Hallelujah  
First I move ya, then go through ya  
When I do ya

[Chorus] - "here we go"

[Outro]

ALL MY MUFFINS!  
Revolution  
Liberation

Hm-mmm-hmmmm [3X]
