(said) hey we need to stay together gurl think about it
ther was sutton about me and u gurl
looky here

When god created human beings he didnt think of
bombs and things
i bet he wonders why ?? just like i never imagined it
would be
anything between you and me i know coz i cried i cried

you wur my sun rays without u gurl there wus no days
never jump to speak the phrase now " what the fuck
just happened?"
you wur the harder home u bet just like a metranome
cant breathe
my heart is gone now what the fuck just happened?

i was always the one behind another one helped keep
me alive
look up to ur den it hurts all these years of discipline
just to end up here at the end can u tell me what ive
learned ?

" wee need to stay together girl "

you wur my sun rays without u gurl there wus no days
never jump to speak the phrase now " what the fuck
just happened?"
you wur the harder home u beat just like a metranome
cant breathe
my heart is gone now what the fuck just happened?

my friend , my freind till the end , my friend , no what
the fuck just
happened ? , my friend , my friend till the end , my
friend , now
what the fuck just happened.

look here baby

you wur my sun rays without u gurl there wus no days

never jump to speak the phrase now " what the fuck
just happened?"
you wur the harder home u beat just like a metranome
cant breathe
my heart is gone now what you bitch
