Uh-ohh

Every single night I'm staring in her window

(de da da da doe doe doe)

She's fresh in a towel and the lights are dimmed low

(de da da da doe doe doe)

If you seen, what I've seen, she's a 10 yo

(de da da da doe doe doe)

You would be, (aaaaah) staring in her window (the back
of the windows to the soul)

You would be, (aaaah) staariing in her windooow!

Uh-ohh

My best friend said I couldnt do this no more

(de da da da doe doe doe)

I'm like that's the reason very different from my friends
so...

(de da da da doe doe doe)

Coz you seen, what I've seen, she's a 10 yo

De da da da doe doe doe)

You would be, (aaaaah) staring in her window (the back
of the windows to the soul)

You would be, (aaaah) staariing in her windooow!

Uh-ohh

(de da da da doe doe doe)

(de da da da doe doe doe)

Look at her, she's my medicine

In those magazines, and all that oestrogen

I bet she liked me, but my conscious says to guess
again

If she ever did, I would be ready then

The best time to watch is like 1 or 2 O'clock

In a fuckin world she gone come over and rock

I wonder if she'll be down with it a lot

She's taking off her clothes...

And bout to close to win-dow

Uh-ohh

She's like the bill through my gates that was entitled
Windows

(de da da da doe doe doe)
She said "don't go micro-soft, your liking when I've
been low, (don't cha, don't cha)"
(de da da da doe doe doe)
I said, if you see, what you mean, cause that's my twin
yo
(de da da da doe doe doe)
And erm, we see u starin in our windows damn.
They caught me staring in her windoow!

Uh-oh
Uh-oohwoaho
Yea
Oh no.
