Just a minute ago x3  
I said some things  
I know that I can't change that  
But when I just screamed  
That didn't mean for us to break, break our pact

(Chorus)  
I'm searching for a way back  
But I'm looking through a peep hole  
I'm trying to find my way back  
I wanna be your hero

I'm here you're there x3  
Between us there's air  
But no one is breathing, such room  
How can this be  
It's your face I see  
This is so crazy  
We're endlessly room

Chorus  
I'm searching for my way back girl (repeat)

I love you, forever  
I don't care what it takes  
But I know we've got to get there  
We've got to get there  
I can see it now you and me  
I know nothing will change  
If the both of us just sit here  
If we just sit here  
Come on now join me girl, can't you see

Hey

Chorus  
I'm lost  
Where am I  
I just wanna go home  
I'm out here by myself  
I'm lost in space  
I'm a rock and roll star

I just want to see you  
Hey I'm a rock and roll star  
I just want to meet you  
I love you baby, love you baby, love you baby
