Shake it up, shake it up girl  
Shake it up, bass  
Hey  
Shake it up, shake it up

She makes me think of lightning in skies  
Her name, she's sexy  
How else is God supposed to write  
Her name, she's sexy

Move, she wants to move  
But you're hogging her, you're guarding her  
She wants to move, she wants to move  
But you're hogging her, you're guarding her, damn

Mister, look at your girl, she loves it  
Look at her  
I can see it in her eyes  
She, come here babe  
Hopes this lasts forever  
Hey

Her off beat dance makes me fantasize  
Her curves, she's sexy  
Her ass is a spaceship, I want to ride  
Her ass, she's sexy

Move, she wants to move  
But you're hogging her, you're guarding her  
She wants to move, she wants to move  
But you're hogging her, you're guarding her, beat it

Mister, look at your girl, she loves it  
I know you love it girl  
I can see it in her eyes  
She, hopes this lasts forever  
Hey

This is your part girl  
This is your part girl  
Move, she wants to move  
C'mon

Move, she wants to move

Man

And move, she wants to move

Move, she wants to move

But you're hogging her, you're guarding her, beat it

Mister, look at your girl, damn, she loves it

She loves

I can see it in her eyes

She, hopes this lasts forever

Hey

C'mon

Mister, look at your girl, look at your girl, she loves it

She wants it

I can see it in her eyes

She, hopes this lasts forever

Hey

Somebody get us some water in here

'Cause it's hot

Yo why you, why you, why you wit that fool?

Hot y'all, hey

I like it when you're wet baby
