Yeah

Yeah

Yeah

I'm on the dance floor burning up  
And music turn it up  
Baby I'm, real hot  
So is it my turn to touch you?

Look like you're buzzin' on Ex  
With 3D effects  
Baby you, look like you have no clue  
Of what comes next

Me and my dogs will be there  
Tell your girls prepare to share  
We'll play the dancing truth or dare  
If someone's standing there, stare say

Hey baby, what's your name?  
Don't stand looking insane  
Do you want to ride the train?  
Welcome to the fast lane

If you're in love beware  
'Cause these people they don't care  
All hands in the air  
This is what we call truth or dare

I am the one with the brightest hair  
Leather I don't care  
Baby I, don't ever want to take the shirts off  
That's my dare

You got a girl but you touching me  
Like you don't care  
Baby you, do you but just don't get  
Caught out there

Me and my girls will be there  
Tell your boys prepare to share  
We'll play the dancing truth or dare

If someone's standing there, stare say

Hey baby, what's your name?  
Don't stand looking insane  
Do you want to ride the train?  
Welcome to the fast lane

If you're in love beware  
'Cause these people they don't care  
All hands in the air  
This is what we call truth or dare

Come on, come on  
Baby shake it up  
Come on, come on  
Baby shake it up

Come on, come on  
Baby shake it up  
Come on, come on  
Baby shake it up

Man, I got ten surrounding me, hounding me  
Center of attention, a riot it's bound to be  
Though I'm in the middle, my jewels you're bound to  
see  
In a pool of women all of them drowning me

I'm ho hoppin', flip floppin', ho' hoppin'  
Now her head in my lap boppin'  
I ain't one to care, I ain't used to fair  
Baby you can keep the truth, choose the dare

Yeah yeah yeah yeah yeah  
Yeah  
Yeah yeah yeah yeah yeah  
Yeah

Yeah

Me and my dogs will be there  
Tell your girls prepare to share
