N.E.R.D. ft. Clipse

(La la la la la la la  
La la la la la la la)  
Listen  
Hey!

[Verse 1]

Didn't you know I can help or hurt you?  
So, there's no reason to lie  
I bet you let those other niggas jerk you  
And convince you that they are fly  
I never said I was an angel  
Said, "But I ain't like those other guys"...listen  
You're convinced our experience re-arranged you  
Well maybe you should re-examine how you tried  
Or...

[Hook]

Am I high?  
Yeah, Am I hi-i-igh? No-o-o!  
Am I high?  
Ooh...hi-i-igh

[Verse 2]

C,mon...  
I think I've loved you since our high school  
But you only wanted friends of mine  
So when they replied, "Her? She's cool."  
Only then you gave our friendship time  
You won't say it, but you think I'm changing  
Is it 'cause...the whole world calls me drugs  
But didn't I say I can help or hurt you?  
You should be paranoid without me and with me feel a  
buzz  
Is that cocky or what?  
Or...

[Hook]

Am I high?  
Yeah, Am I hi-i-igh? No-o-o!  
Am I high?

Ooh...hi-i-igh

[Clique]

It's the kinda high that got me leaning  
120, speeding in the rain  
Meaning of a hydroplane  
Play both sides of the field  
See I know pain  
Keep 'em high like Kurt Cobain  
Listen  
I'm known for speaking my mind  
Known for fleeing from the scene of a crime  
Eyes redder than the beam of my nine  
Lies better than the scene of that crime  
All for the love of the lime  
I'm so high

[Verse 3]

Insinuating you're not that way  
I see how you look and use your eyes  
But when I ask you can I jump in  
Then you start again with the lines  
But if I dare you you'd blow a kiss to another  
Though my friends have no idea who you could be  
Don't worry I would never tell another  
But, I ate your pussy as you layed there beside her,  
yes, she was sleep

[Hook]

Am I high?  
Yeah, Am I hi-i-igh? No-o-o!  
Am I high?  
Ooh...hi-i-igh  
Why am I sitting here...peering the sky?  
Is there something inside of me? Or am I high?  
From when we talk on the phone...'til when we fuck  
This sounds like deep lust to me...but I get high on your  
love
