You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)

Hey, what's this on your iPod? Tell me what you listenin'
to

Why you jumpin 'bout his money, I ain't hear him
mention you

I know this aggravates you, and it upsets ya
But I can change you, I know how you hear me is this
better?

Yeah babe you like this, yeah this yo' language
Life is short in black and white just like little penguins
Why you in social studies screamin' and argue?
Why you Dr. Killjoy, shootin' up the party?
Where you get that money from? Wait, where you
runnin' to?

Why I hearin' sirens? Where them blue lights comin' to?
Dog you a genius, you can blueprint and plan this
Instead of playin' videogames why don't you take
advantage?

You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)

What's that on your iPod? Tell me what you listenin' to
Why you jumpin' 'bout these bitches? I ain't hear 'em
mention you
I know this aggravates ya, and it upsets ya

I'm a change ya I know how you hear me is this better?
I don't understand you, you the school's biggest cut up
Ridin' in your momma car, boomin' like a motherfucker
Why you always spittin' for?
What you get her digits for?
Don't you know with no money that girl is not goin' give
you none?
Life doesn't dish out, why you got yo fist out?
Oh you just gon' run in there and five finger discount?
Talkin' 'bout where the weed at; wait, what you coughin'
for?

I thought you was an expert, now listen to the officer

You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)

I know you're alive
And there's a lamp to lit inside
It's not just burnin' bright
It won't blow up in your face if you try
I know you try hard, but you gotta try harder
Now you got your light, you can find your way
You're a multi-tasker, you're doin' things faster
Are you going to let this God-given gift decay?
Wait

You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)
You so anti, don't nothin' matter (what!?) You so you so
You so anti, don't nothin' matter (You punk bitch!)

Motherfucker are you ADHD? ADHD? ADHD?
(You so anti, don't nothin' matter (what!?) You so you
so)
(You so anti, don't nothin' matter (You punk bitch!))
You jump around like you ADHD, ADHD, ADHD
(You so anti, don't nothin' matter (what!?) You so you
so)
(You so anti, don't nothin' matter (You punk bitch!))
You catchin' steel like you ADHD, ADHD, ADHD

(You so anti, don't nothin' matter (what!?) You so you
so)
(You so anti, don't nothin' matter (You punk bitch!))
You fuck around like you ADHD, ADHD, ADHD
(You so anti, don't nothin' matter (what!?) You so you
so)
(You so anti, don't nothin' matter (You punk bitch!))
