Girl you don't know what you are (to me)
You are my baby doll
You are my compass star
You drive me up the wall
Girl you don't know what you mean (to me)
You are my everything
You are my alien
From S-p-a-c-e

[Chorus]
[3x]
Wait Please don't go
Wait
Please don't go
Wait
please don't...
I just meet you

Girl I feel just like a bird
Though I am just a nerd
I could fly around this world
With power from this word
We'll bring the desert rain clouds
Fuck reality and doubt
Well they'll be vultures I see
They'll chase me
Girl I'm flying with thee

Roses are red
Yellow and white
where have you been all my life

violets are blue and ill be too
If u leave cuse i just met you
[Chorus]
[3x]
Wait Please don't go
Wait
Please don't go
Wait
please don't...
I just meet you

you are my pop rock
you are my cotton candy wouldnt it jsut be hot and
sandy
you're my water
you're my morning shower
subconciuous melody
you are my lsd, summers perfect daughter

Roses are red
Yellow and white
where have you been all my life
violets are blue and ill be too
If u leave cuse i just met you

I just met you (fades out)
