All the girls standing in the line for the bathroom
All the girls standing in the line for the bathroom
All the girls standing in the, all the girls standing in the
All the girls standing in the line for the bathroom

You and your girls are going out tonight
Ya'll be plannin' so we right
You got somethin' boys can't deny
(Here's a hat)

It's like apple pie, cut you open and you're just wide
You ain't tired wanna cause a riot
And who can say no to you
Wait 'til they get a load of you

A hundred dollar bills look, ashoo, ashoo
A hundred dollar bills look, ashoo, ashoo
A hundred dollar bills look, ashoo, ashoo
A hundred dollar bills look, ashoo, ashoo

Because all the girls standing in the line for the

Bartender get the drank we just laugh
He talkin' 'bout an autograph
He just wanna dance in you reckless paths

Close your eyes see colorful things you wanna
Let go for the wonderful things just a
Fit more just to get in the ling
So we can answer the brain and you can flip wit da pain

Just so you know we chasing
It's blowin' over here, don't worry, I want blow your high
Talkin' bout your life and how it is all wrong

Just know if you go outside and see the sunrise as all
the stars are gone
Tell your friend they can go you're okay you're just
chillin' with me
Here's a towel wipe your face
Cool down, have a drink it's on me

Here's a towel, here's a towel, wipe your face, wipe
your face
Cool it down, cool it down, have a drink it's on me
Here's a towel, here's a towel, wipe your face, wipe
your face
Cool it down, cool it down, but you rather party 'cause
