[Pharrell]

Hold your head lil' bruh

You're not dead lil' bruh

You are brown and this world is black and white lil' bruh

I know how it sounds lil' bruh, but you'll be alright lil'

bruh

[Chorus]

I bet this song, make no sense to you

With the world on your shoulders, what can you see?

God blessed us all, with the gift to pursue

Just clear your mind and, you'll feel like me

Yeah~!

[Pharrell]

Forget what you read lil' bruh

Get them words out your head lil' bruh

With them shades the world's the same don't you know

lil' bruh?

It only just fades lil' bruh, but can't hide your glow lil'

bruh

Yeah, cause

[Chorus]

[Pharrell]

Forget the latest lil' bruh

You're the greatest lil' bruh

You were made to amaze and bring change lil' bruh

It takes one to know one bruh, so here's one to grown

on bruh

Yeah

[Chorus]
