The summer's gone too soon
The winters coming now
And lives are falling and
I'm just brawling
You had me going out of my head

And I look stupid
The game was gruesome
We'll be for a while
And then it'd leave for a while
but there's no need for u now
Because I'm free of you now
You see I'm

[Chorus]
Happy (happy)
Things are lookin good now (good now)
I feel so alive (so alive)
I'm on overdrive (overdrive)
I'm killing it, I'm killing it

(Good, I'm good)
Don't try coming back
(Good, I'm good)
Cause I will not be there
(Good, I'm good)
Its not like u ever cared

Smiles would die too soon
Our days were filled with frowns
My job was calling
My life was falling
My friends said I looked like I was dead
Did I look stupid
Damn u cupid
You were shooting at me instead of landing on her
If this is how it should be
We should have stayed how we were
Cause now I'm

[Chorus]
Happy (happy)

Things are lookin good now (good now)
I feel so alive (so alive)
I'm on overdrive (overdrive)
I'm killing it, I'm killing it

(Good, I'm good)
Don't try coming back
(Good, I'm good)
Cause I will not be there
(Good, I'm good)
Its not like u ever cared

Damn you're stupid
How'd u lose it
U had it all but u treated it wrong
U got some things to resolve
So I requested this song
Cause I'm just

[Chorus]
Happy (happy)
Things are lookin good now (good now)
I feel so alive (so alive)
I'm on overdrive (overdrive)
I'm killing it, I'm killing it

(Good, I'm good)
Don't try coming back
(Good, I'm good)
Cause I will not be there
(Good, I'm good)
It's not like u ever cared
