[Pharrell]

Let's be rebellious baby
No turnin back now
I'm already sold on it
You came and convinced me
I wanna get this over with
Thank God the teenagers takin over the world
And all your old school niggaz, should just go fishin for
pearls

[Chorus]

I came to sweat [3X]
Well get on up and jam y'all
I came to jam tonight
And I came to party
Well I come to jam tonight
Life makes me horny

[Pharrell]

They talk about yesterday
But I'm just thinkin 'bout tonight
Don't take it no kind of way
But I just wanna dance all night
Thank God the teenagers takin over the world
And all you yesterday people, should stay in your bed
and curl

[Chorus]

[N.E.R.D.]

Uhh, damn right
I am a ten-to-five
I am a happy dryer
Your uphill makes my mouth dry
C'mon let's wash saliva
Don't you wanna feel some love
Everybody is high on drugs
Got problems with some nookie
I am the nookie piper!

[Pharrell]

Thank God the teenagers takin over the world

And when you open up your eyes, I hope you old fucks
just hurl
Look here
I came to sweat [3X]
You ain't seen nothin' yet

[Chorus]
