[Vocalizing]

[Verse 1]

In the morn I wake with thoughts of you  
And new ways to get your love  
Never feeling I've done, done all I can do  
Different ways I'll keep thinking of you

Now I feel like I'm what you see  
When you find out what you truly need  
When you listen to you heart since that's where love  
lives  
Then you'll understand how it is

[Hook]

Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)  
Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)

[Verse 2]

I can't wait till you recognize  
your true soul mates touch  
Then only then can I provide your eyes  
With a life that's full of love

[Vamp]

Only there, all your days  
I'll be there in every way  
We can keep it like the same  
I can make it all just change

Boy, I'm just tryna get you to see  
That you'll getting in games with me  
And in the end you will never see  
If we could just change beats, ooo wee

[Hook]

Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)  
Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)

[Verse 3]

If they would dry my eye and doves would fly  
A small example of my feelings if can tell  
Such a long time I've lived in that optimistic shell  
Better known as a dream that's why I can't help myself

[Vamp]

Only there, all your days  
I'll be there in every way  
We can keep it like the same  
I can make it all just change

Boy, I'm just tryna get you to see  
That you'll getting in games with me  
And in the end you will never see  
If we could just change beats, ooo wee

[Hook]

Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)  
Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)

[Break]

Flying, flying  
Flying, flying, flying  
Flying, flying  
Flying, flying, flying

[Hook]

Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)  
Call it infatuated with you love and I can't get out  
(Ooh Ooh Ooh Ooh Ooh Ooh)
