Everybody let's go

Little Red Ridin' Hood, went ridin' on her bike
She got just a little distracted 'cause she see somethin'
she liked
Just because it ain't Grandma's house don't mean that
it's all good
'Cause no one cares if she's in there and the wolf's still
in the woods

(Beautiful losers)

To you they might look beautiful but they're rotten in
the inside

(Beautiful losers)

When there's so much dirt up under the cupboard
There's a big ol' lump that can't hide, c'mon

Here they go again, wearin' disguises to a friend
Watch the bullets ricochet off of the Hummer like
Blam ba blam, blam ba blam, hey hey

You know they won't succeed, you know relentless they
will be

You should tell 'em clear the way
And tell 'em to step back, back ba back, hey hey

Kill joy, kill joy, kill joy, kill joy
Watch them bullets ricochet like
Blam ba blam, blam blam ba blam blam
Kill joy

Everybody let's go

Think back when you've met them, you'll see it in their
glances
That's the seed that led to trees which eventually led to
branches
Cold as a snowball, downhill to avalanches
Believe you me when the world is cold
That's when the devil does his dances

(Beautiful losers)

Don't you wonder why you always end up in last?
(Beautiful losers)
Well I would bet you anything
That has come up from your past, come on

Wake up, little boy, there's no spaceship here
employed
'Cause that they shut away, like
Damn da damn, damn da damn, hey hey

You're impoverished at your knees
But you gotta stand up and face the fees
And that's when you say get the shoulder up
Dap ta dap, dap ta dap, hey hey

Kill joy, kill joy, kill joy
Watch them bullets ricochet like
Blam ba blam, blam blam ba blam blam
Kill joy

Everybody let's go

Kill joy and N.E.R.D film, starring you
Also starring him
