Shake it up, shake it up girl
Shake it up, bass
Hey
Shake it up, shake it up

She makes me think of lightning in skies
Her name, she's sexy
How else is God s'posed to write
Her name, she's sexy

Move, she wants to move
But you're hogging her, you're guarding her
She wants to move, she wants to move
But you're hogging her, you're guarding her, damn

Mister, look at your girl, she loves it
Look at her
I can see it in her eyes
She, come here babe
Hopes this lasts forever
Hey

Her off beat dance makes me fantasize
Her curves, she's sexy
Her ass is a spaceship, I want to ride
Her ass, she's sexy

Move, she wants to move
But you're hogging her, you're guarding her
She wants to move, she wants to move
But you're hogging her, you're guarding her, beat it

Mister, look at your girl, she loves it
I know you love it girl
I can see it in her eyes
She, hopes this lasts forever
Hey

This is your part girl
This is your part girl
Move, she wants to move
C'mon

Move, she wants to move

Man

And move, she wants to move

Move, she wants to move

But you're hogging her, you're guarding her, beat it

Mister, look at your girl, damn, she loves it

She loves

I can see it in her eyes

She, hopes this lasts forever

Hey

C'mon

Mister, look at your girl, look at your girl, she loves it

She wants it

I can see it in her eyes

She, hopes this lasts forever

Hey

Somebody get us some water in here

'Cause it's hot

Yo why you, why you, why you wit that fool?

Hot y'all, hey

I like it when you're wet baby
