Unzip your skirt, take off your blouse  
I hope your toes are painted  
'Cause you gone dance in your undies  
All over the house

When your eyes are closed  
I hope, I'm the man you see  
The man you see  
'Cause if not, I want you to know  
Tonight I plan to be  
Is this for me? Ho!

Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
See I love the way she dance  
Girl, I love the way you dance

Yeah, I am in your aquarium  
Are you a mermaid or something?  
Is it possible to marry one?  
Big tits, fat ass and turquoise skin

When your eyes are closed  
I hope I'm the man you see  
The man you see  
'Cause if not, I want you to know  
Tonight I plan to be  
Is this for me? Ho!

Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
See I love the way she dance  
Girl, I love the way you dance

Yeah, calling all cars, please arrest her  
She's a criminal in my dreams  
She just stole my heart  
It's an A.P.B

Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
Slow motion like a dream  
But real time is what it seems  
I love the way she dance  
See I love the way she dance  
Girl, I love the way you dance

Yeah, kissing you, kissing me, it's Euphoria  
Remission two, remission three  
It's kissing four of ya  
(When sparks fly, sparks fly)  
I think that's love  
(When sparks fly, sparks fly)  
Don't you think?

Close your eyes, hold my hand  
Concentration, no destination  
Just dance on constellations  
(When sparks fly, sparks fly)  
I think that's love  
(When sparks fly, sparks fly)  
Don't you think?

Excuse me  
But girl come with me  
See you and I can be each other's company  
Can't you see?  
(When sparks fly, sparks fly)  
I think that's love  
(When sparks fly, sparks fly)  
What you think?
