[Pharrell]

I want it

Ohh, I'm not even gonna lie

I want it

It's an every day dream every sigh

I want it

Even if it makes me cry

I want it

I've got to have it or I'll die

I want it

Does your family even care?

I want it

Ohh, did they tell you I'd be there?

I want it

I've gotta get this for my team

I want it

Just tell yourself this was my dream

## [Chorus]

Victoryyyyyy, I can smell it in the air In my mind it's around me everywhere, errrre But what a wonderous occasion, this could be In fact I know it will, cause this is my victoryyyyyyyy

## [Pharrell]

I want it

This is something you can't buy

I want it

Ohh don't you get it nothing else will satisfy?

#### I want it

Even worse than someone that would lie

I want it

But only a champion would qualify

I want it

Oh to be in the books of history

I want it

Oh look page one hundred, this is me

I want it

They'll say I changed things officially

I want it

And so these were the words to my speech

## [Chorus w/ ad libs]

[Pharrell]
Oh, the limit's the SKYYYYYYYY!
The limit is the SKYYYYYYYY! [3X]
It's the sky
The limit is the sky
Ahhhhhhh! Don't you be afraid!
SKYYYYYYYY!
The limit is the SKYYYYYYYYY! [3X]
Go for it, go forth and try
The limit is, the sky
Good luck
